

**REMARKS**

Applicants hereby submit seventeen sheets of formal drawings to be made of record in the above-identified case. With the exception of Figures 11, 12, 13, and 15, these drawings are identical in content to the informal drawings submitted with the application as filed. The amendments to Figures 11, 12, 13, and 15 merely delete the figure titles. These changes are indicated on the attached Annotated Sheets. None of the changes add new matter.

**CONCLUSION**

Entry of this amendment is respectfully urged since it merely cures a formal defect in the drawings and does not touch the merits of the application.

Respectfully submitted,

Carol A. Fang
